Dear Parent,

Cambridge Foundation School has always aimed to provide progressive, value-based education through experiential learning. Your support has been crucial in our journey towards educational excellence.

In recent years, the School has faced significant financial challenges due to insufficient fee increases, resulting in increased expenditures without corresponding income. While the fee increase in the last Seven years has only been to the tune of 25%, and whereas the proposed Fee Increase as submitted to the Department is 48% and whereas, costs such as Salary Increments, DA, Gratuity, leave encashment, professional development expenses, educational resources, utilities, property taxes and inflationary factors have further strained our finances.

Considering the accumulated deficit and insufficient funds, the School has decided to implement a **fee- hike @ 9 %** as approved by the School Managing Committee in its meeting held on 18-07-2024. **The fee hike is also in accordance with the recent order passed by the Hon'ble High Court of Delhi in W.P. (C.) No. 5743/2024 on 29-04-2024, titled 'Action Committee Unaided Recognized Private Schools v. Directorate of Education', wherein, the Hon'ble High Court of Delhi had reiterated that private unaided schools are well within their right to enhance the fees without seeking permission of the Department of Education.**

Accordingly, the fee bills are being sent. Kindly note that the increase in fee for the academic session 2024-25 will be effective from 01.04.2024 but is being implemented from 1-11-2024 without collection of arrears, keeping in mind the interest of the parents.

We understand the impact of this decision and appreciate your understanding and continued support. Our commitment to delivering high-quality education and maintaining our standards remains steadfast.

Thank you for being an essential part of our School Community.

Best Regards

Principal
