Subject: Update on Third Language Option for Class VI

Dear Parents,

As per the **Circular No.: Acad-17/2026, dated 09th April, 2026** of the Central Board of Secondary Education, students are required to study two Indian languages as part of the three-language framework.

In alignment with the above, French will be replaced with Sanskrit as the third language with immediate effect. Students who are already studying Sanskrit will continue as usual.

We understand that this change may require adjustment and sincerely appreciate your support.

Best Regards,

Sd/-

Principal/Manager
